History of the Institution	"Education is the man making process". This message of Swami Vivekanand is in consonance with the goal of Swami Vivekanand College of Education (SVCE) With a dream of, "Making the young budding Science teachers globally competent", Swami Vivekanand College of Education was established in the year 2006. Our main motto is to enhance the qualities of upcoming mentors i.e. student – teachers for better society and is accordingly molded further to become a versatile, talented and omni –active person. 'SVCE' aims at providing value added education especially in Science subjects such as Physics, Chemistry, Botany and Zoology, along with Mathematics, Statistics, Geography and Computers, so as to make the candidates sustain the cut-throat competitions. The main objective of B.Ed. professional course i.e. to prepare student teachers at Secondary and Higher secondary level is effectively fulfilled by combining content knowledge, human development and pedagogical knowledge with communication skills in upcoming student teachers. An amiable environment at the Swami Vivekanand College of Education nurtures creativity, passion, resilience and leadership qualities among the students for their development of versatile personality. The progress of an Institute depends mainly on performance of the students in academics, sports and cultural activities along with maintaining high values and ethics. Our teachers are committed and dedicated for the development of the institution by imparting their knowledge and play the role of facilitator as well as role model to our students. The entire staff is highly dedicated with total commitment towards achievement of our mission and goals.
Vision Statement	As an institute of higher education, our ardent mission is to passionately perceive ever increasing knowledge, disseminate it among students and others and strive sincerely to make every bit of our own research effort to create knowledge for developing employable human resources and contribute to ever-evolving knowledge society. We are knowledge creators, knowledge assemblers and knowledge providers. The B.Ed. course conducted by Swami Vivekanand College of Education emphasizes not only in training the candidates in academic subjects and laboratory practical, but also insists on training the students in the field of research and development through creativity.
Mission and Objectives	1. To insist on excellence through achievements by way of better results of the performance of the candidates. 2. To strive for continuous improvement in the pedagogy to make the teacher to contribute significantly towards development of digital society. 3. To inspire students to make extensive use of Information and Computer technology, both for learning themselves and teaching the student community. 4. To motivate students to undertake research projects with a view to find the gap between what the society needs and what the society is being provided. 5. To create a forum for exchange of ideas in Science Education by organizing study circles, seminars, workshops etc.
